

# MUNICIPAL ENERGY UPGRADES

## **With** Efficiency Maine

# Clean Energy and Cost savings!

JOIN US VIRTUALLY AND IN-PERSON AT OUR SATELLITE LOCATIONS

**TUESDAY FEB 14, 10:00 – 11:00 AM**

Efficiency Maine currently has generous rebate programs on lighting, HVAC, refrigeration upgrades, and electric vehicles for municipalities and tribal governments. This coupled with a free virtual project consult can be a winning combination to help towns achieve significantly reduce capital investment costs and energy savings. Learn more from Efficiency Maine staff as well as tour some recent municipal projects that took advantage of these programs.
